These programmes enriched students' learning experiences and promoted holistic development.

## Challenges and Learnings

The academic year also brought opportunities for growth and reflection. The school focused on:

- Enhancing student engagement
- Strengthening emotional wellbeing initiatives
- Balancing academics with holistic education
- Promoting responsible technology usage
- Encouraging experiential learning

Continuous improvement remains a core commitment of the institution.

# Future Goals

The school aims to:

- Strengthen competency-based education
- Enhance digital learning integration
- Promote research and innovation among students
- Expand sports and co-curricular opportunities
- Strengthen value-based and inclusive education
- Foster leadership and life skills among learners

## Acknowledgement

The successful completion of the academic year 2025–26 would not have been possible without the dedication and cooperation of all stakeholders.

- We express our sincere gratitude to The Management, Teaching and Non-Teaching Staff, Administrative Staff, Parents, Students, Well-wishers and Supporters for their continuous support, trust and commitment towards the growth of the institution.

As we conclude another fruitful academic year, we take pride in the achievements of our students and the collective efforts of our school community. With renewed commitment and enthusiasm, we look forward to continuing our journey towards educational excellence, holistic development and nation building. Let us continue working together to shape responsible, compassionate, confident and enlightened future citizens.

Dhanyavad
